Thank you for your interest in our Reproduction Program here at Jerland Farm. We are excited about what the upcoming year will bring and look forward to fulfilling your semen requests. For Semen Orders, please contact Mike Van Handel at 651-269-2972 or Indira Van Handel at 715-205-1345. All orders should be placed 24 HOURS prior to the collection day. Semen that is not requested 24 HOURS prior to the collection day can not be guaranteed. We collect on Mondays, Wednesdays, and Fridays. THE ABSOLUTE LAST DEADLINE FOR ORDERING SEMEN IS BY 8:00 AM Central Time. While every attempt to accomodate you will be made, these guidelines must be adhered to.

We offer Counter to Counter same day shipments, but due to the distance from the farm to the airport, the fee is higher to account for the courier to get it there. Also note that these shipments usually do not arrive until later in the evening. The Next Day Shipments are sent by Fed Ex priority overnight and should arrive by 10 AM the day following collection.

It is recommended that you have all of your fees paid prior to needing semen. We do accept Visa and Mastercard\*. Checks or money orders must be received at least one week prior to any shipment. All breeding fees, Equitainer deposits, and shipping fees must be paid in full prior to shipping semen.
